

Environmental Policy

It is the policy of **TreeAbility Ltd** to ensure that throughout its activities and undertaking, account is taken of the need to protect and where appropriate enhance the natural and man-made environment.

Our statement of general policy is to:

Be committed to reducing the impact of our activities upon the environment

- Comply with all relevant environmental legislation including:
 - The Wildlife and Countryside Act 1981
 - The Environmental Protection Act 1990
 - The Conservation (Natural Habitats, &c.) Regulations 1994
 - Pollution Prevention & Control Act 1999
 - The Countryside and Rights of Way Act 2000
- Ensure that harmful impacts are foreseen and controlled including the lifecycle and disposal of plant and equipment.
- Reduce emissions and prevent pollution.
- Improve waste management practices and reduce consumption of natural resources.
- Minimise noise and other nuisances.
- Assist in the management of ecology, identify and safeguard wildlife
- Continually assess and improve our environmental performance through monitoring progress and promoting awareness to staff and our customers.

Signed

Louise Curry – Director
